HEALTHCARE GRADE 3							
CANYON VINYL	100% PVC	100% Brushed Polyester Knit	28 oz / Linear Yard	100,000 Double Rubs	40 lbs warp 29.9 lbs fill ASTM D754 98	Resilience ^{SR}	500 Hrs

FLAMMABILITY

These products are manufactured to meet the following codes: State of California Technical Bulletin 117-2013, UFAC Class 1 and NFPA 260 Class 1. Colors may vary slightly between dye lots. All information subject to change without prior notice.

Resilience^{SR} - Represents the latest technology in Faux Leather and Vinyl Protection, enhancing performance where it is needed most:

STAIN RESISTANCE: With proper care materials treated with Resilience^{SR} can be easily cleaned and will guard against stains maintaining the desired surface appearance for years to come.

ANTI-MICROBIAL & ANTI BACTERIAL PROTECTION: Products treated with Resilience^{SR} are engineered to inhibit bacteria growth, as well as fungus, mold, and mildew spores, resulting in a more hygienic environment.

ABRASION RESISTANCE: Resilience^{SR} provides additional wear properties and surface durability to any Vinyl or Faux Leather, thereby increasing the life of the material.

Resilience^{SR} is not visible and does not affect the hand of the materials. Resilience^{SR} is engineered to last even after repeated cleaning and wear. Specify Resilience^{SR} for the most demanding healthcare and hospitality applications.

Antimicrobial - Silver Ion Technology, inhibits the growth of bacteria and other dangerous microbes, and provides odor resistance. It also suppresses the growth of harmful mold, mildew and fungus.

Antimicrobial & i-clean™ - innovative easy clean technology with moisture barrier protection allowing you to clean most stains and spills with a mild soap and water, including ink stains.

STYLE	CONTENT	WEIGHT	SURFACE ABRASION	BREAKING STRENGTH	FINISH
HEALTHCARE FABRICS					
RAINDANCE	100% Polyester	15.21 oz / Linear Yard	70,000 Double Rubs	477 lbs warp 390 lbs fill	Crypton® with Antimicrobial Silver Ion Technology
TRAPEZE	100% Polyester	13.2 oz / Linear Yard	80,000 Double Rubs	292 lbs warp 269 lbs fill	Defend™

FLAMMABILITY

These products are manufactured to meet the following codes: State of California Technical Bulletin 117-2013, UFAC Class 1. Colors may vary slightly between dye lots. All information subject to change without prior notice.

Defend™ is a stain and wear resistance treatment.

Crypton® with Antimicrobial Silver Ion Technology is engineered to deliver stain, moisture, mildew, bacteria and odor resistance.
